Hong Kong PhD Fellowship 2014/15

The Fellowship will provide:
- A 3-year tuition scholarship for each PhD Fellow
- A monthly stipend of HK$20,000 (approximately US$2,600)
- A conference and research-related travel allowance of HK$10,000 (approximately US$1,300) per year for a maximum period of 3 years

The Faculty of Engineering
- Consists of a distinguished group of internationally-renowned researchers
- Provides a collaborative and inter-disciplinary research environment of high application value
- Supported by world-class facilities and equipment

Department of Computing
Research Areas:
- Big Data Analytics and Information Retrieval
- Graphics, Visualization and Multimedia
- Human-centered Computing
- Networking and Mobile Computing
- Pattern Recognition and Machine Intelligence
- Systems and Software Engineering

Department of Electrical Engineering
Research Areas:
- Electric Vehicles
- Electricity Utilisation, Condition Monitoring and Asset Management
- Photonics – Photonics Crystal Fibres and Polymer Fibres, Fibre Sensors and Communications
- Power Electronics and Drive
- Power Systems
- Renewable Energy
- Smart Materials, Devices and Systems
- Transportation Systems

Department of Mechanical Engineering
Research Areas:
- Advanced Materials Technology
- Aerospace Engineering and Aviation
- Combustion and Pollution Control
- Fluid-Structure Interactions
- Integrated Product Development
- Sound, Vibration and Structural Health Monitoring

Department of Electronic and Information Engineering
Research Areas:
- Multimedia Signal Processing
- Optical Communications and Networks
- Optoelectronics and Microelectronics
- Power Electronics and Nonlinear Systems
- Wireless Communications

Department of Industrial and Systems Engineering
Research Areas:
- Advanced Manufacturing Technology
- Enterprise Information Systems and Quality Management
- Knowledge and Technology Management
- Logistics Engineering and Management
- Product Engineering and Design

Interdisciplinary Division of Biomedical Engineering
Research Areas:
- Medical Imaging, Biointerface Technology and Biosensing
- Neuromusculoskeletal Science and Engineering
- Prosthetics and Orthotics
- Rehabilitation Engineering

About the Faculty of Engineering: http://www.polyu.edu.hk/feng
About the Fellowship Scheme and On-line Application: http://www.polyu.edu.hk/ra/hkphd-fellowship

Application Period:
- Date: 2 September 2013
- Milestones:
  - 2 December 2013 at Hong Kong Time 12:00:00 (GMT +8 Hours): Deadline for submitting initial applications to the Research Grants Council (RGC) by the applicants for allocation of reference numbers
  - 5 December 2013: Deadline for submission of full applications to PolyU
  - Early March 2014: Notification of results

Each application received by PolyU will be processed as a normal application for PhD admission.
